

Hiring of Negroes on Farms in Tennessee.

Colonel Davis, in charge of the Freedmen's Bureau at Clarksville, Tennessee, has adopted the following rules:

1. One-half of the wages of the employee will be retained by the employer, until the end of the contract for its faithful performance.
2. The employees will be required to rise at daybreak, each one to feed and take care of the stock allotted to him, or perform any other business that may be assigned to him; to eat their breakfast and be ready for work at the signal, which will be given when the sun is half hour high. All time lost after the signal is given will be deducted.
3. No general conversation will be allowed during working hours.
4. Bad work will be assessed at its proper value.
5. For disobedience one dollar will be deducted.
6. Neglect of duty and leaving without permission will be considered disobedience.
7. No live stock will be permitted to be raised by the employees, without special contract.
8. Apples, peaches and melons, or any other product of the farm taken by the employee, will be charged for.
9. The employee shall receive no visitors during work hours.
10. Three quarters of an hour will be allowed during the winter months for dinner, and one hour and a half during the months of June, July and August.
11. Impudence, swearing, or indecent and unseemly language to, or in the presence of the employer or his family, or agent, or quarreling or fighting, so as to disturb the peace of the farm, will be fined one dollar for the first offence, and, if repeated, will be followed by dismissal and loss of such pay as shall be adjudged against him by property authority.
12. All difficulties that may arise between the employees shall be adjusted by the employer, and, if not satisfactory, an appeal may be taken to an agent of the U. S. Government or a magistrate.
13. All abuse of stock, or willful breaking of tools, or throwing away gear, &c., will be charged against the employee.
14. Good and sufficient rations will be furnished by the employer, not, however, to exceed six pounds of bacon and one peck of meal per week for each adult.
15. House rent and fuel will be furnished, free, by the employer.
16. No night work will be required of the employee but such as the necessities of the farm absolutely demand—such as tying up fodder, firing tobacco, setting plant beds afire, securing a crop from the frost, &c.
17. A cheerful and willing performance of duty will be required of the employee.
18. Stock must be fed and attended to on Sunday.
19. The women will be required to do the cooking in rotation on Sunday.
20. The employee will be expected to look after and study the interest of his employer; to inform him of anything that is going amiss; to be peaceable, orderly and pleasant; to discourage theft, and endeavor by his conduct to establish a character for honesty, industry and thrift.
21. In case of any controversy in regard to the contract or its regulations, between the employer and the employee, the agent of the Bureau for the county shall be the common arbitrator to whom the difficulty shall be referred.
